ANNOUNCEMENT

Maritime-Ontario Freight Lines Limited is excited to announce the addition of **Richard Couto** to our Senior Leadership Team in the role of Vice President, Information Technology.

Richard's extensive transportation experience in consort to his many years of software development in the pharmaceutical industry, brings to **M-O** an element of proficiency our team and more importantly, our customers, will benefit from for years to come.

We are thrilled to have Richard join the **M-O** family and we look forward to his expertise leading our I.T. team in our mission to continuously enrich the **M-O** customer experience on behalf of all of our clients.
